World of Speed and the racing season is over. Weather was beautiful! We started racing a day early and it was good as the wind came up Friday afternoon and a storm came in during the night. There were 26 new records set, 38 new 130 Club members and 16 new 150 Club members. Fast car of the meet:

#992 Skip Hedrich at 336.064 mph. This was a qualifying run with his C/GS and an exit speed of 342.379 mph. The salt gods were not smiling and Skip wasn't able to back it up. He will have a very nice Larsen-Cummins Streamliner by Jeff Decker trophy!

Fast motorcycle:

#3182 Mark Deluca at 237.664 mph in the middle mile. The record Mark set was disqualified but he will have a very fine Flat Out by Jeff Decker trophy!

Fast Lady and a new member of the 300 MPH chapter:

#444 Rhonnie Vesco at 311.989 mph. It seems she and Tegan Hammond were vying for fast lady. It was very close.

2 New members of the 200 mph club:
 #77 Tegan Hammond at 294.382 mph
 #9991 Doug Grieve at 204.481 mph
 We had one motorcycle accident, he is on the mend and back at work.

Lee Burkey had a fatal heart attack and will be missed. Dave Branstetter passed away this month. He wasn't quite ready with his Camaro but was able to run the 150 Club and made it in. Thanks to all the participants and U.S.F.R.A. volunteers that make this event happen!

At our last meeting the BYU electric team presented their driver, Jim Burkdoll with a framed picture of the streamliner and their team. They are excited about the E/1 record set! Congratulations.

Many of you may have noticed that Lila Hodson was not only working with Hugh at the gate but is also our new Media Coordinator. Wes Potter has decided to retire from this position. He is still around and helping to answer questions if you call the alternate number listed on our web site. We have appreciated all the work Wes has done over the years.

The Awards Banquet and Christmas Party is scheduled for Saturday, December 3rd in the evening. The room will open at 6 pm and food will be available by 6:30 pm. The program will start about 7:30 pm. All are welcome for a good time bench racing and handing out and receiving awards. The Rainbow does

On Saturday Nov. 12th 2011, the Utah Motorsports Foundation will host its 13th annual, night out and benefit auction to be held @ Totem's private club, 538 South Redwood Rd, S.L.C., UT. The Utah Motorsport Foundation was established in 1999 as a non-Profit 501(c)(3) charitable organization for the purpose of raising funds to assist members of the motorsports community as the need arises. The foundation has raised over \$701,334.00 with the proceeds donated to families and individuals that have touched our lives and were in a time of need. From 1999 to the present we have been able to assist 116 different racers and or their families. The recipients ranged from U.S.A.C., Nascar, N.H.R.A., I.R.L., Karting, Motorcycle and the Bonneville Salt Flats Racers. The foundation is there to help regardless of the type of racing one is involved in. We know we cannot resolve all the financial burdens that are encountered in these situations, but to be there with some financial help and moral support we feel is important. The foundation is a recipient of the combined federal campaign, our five-digit agency code is #71338. Come support this event at Totems Private Club Saturday Nov 12th 2011. Doors open at 5:00pm. Dinner, silent auction and raffle 6:00-8:00 pm. Live auction begins at 8:15 pm. Band and dancing to follow. Reserved seating only. Reservation forms must be received by November 1st, 2011. Umf 764 west south temple, salt lake city utah 84104. Fax (801)-364-8132. **Reservations if prepaid: \$30.00 per person, includes dinner. Door price: \$35.00 per person, with no guarantee of food or food selection.** For more information, to donate and for reservations call (801) 533-9179 contact: Mike Nish or visit www.utahmotorsportsfoundation.com.

Lee Carl Burkey

Lee Carl Burkey, born July 9, 1928 in Ohio, Died September 15, 2011. He died on the Salt Flats at Bonneville, Utah where he was enjoying an exceptionally beautiful morning with his three boys when he left us. He is survived by his five children which includes two sets of twins, 7 grandchildren and 1 great-grandchild. He served in the Air Force, married Norma Burkey and raised his family in Yorba Linda, CA. Lee was a retired engineer from Rockwell International. In 2003 Lee moved to Pilot Pt. Texas. Lee became a good friend to Don Vesco while living in the Murrieta area of So. Cal. Lee helped design major components for Team Vesco's Turbinator project and served as crew member for Don's team. Lee loved motorcycles, and Bonneville racing. At the age of 73 Lee set a landspeed record on his Suzuki and became a member of the 200 mph Club. Services will be held in Aubrey, Texas on Oct. 1. The family has asked that donations to Save the Salt may be made in lieu of flowers.
